Juan Pablo González

The background features a series of overlapping, semi-transparent geometric shapes. At the top, a dark teal triangle points downwards. Below it, a light green trapezoid points upwards. The central portion of the image is dominated by a large teal shape that tapers towards the right. At the bottom, another dark teal triangle points upwards, mirroring the one at the top. The overall effect is a layered, abstract landscape.

Diagrama conceptual

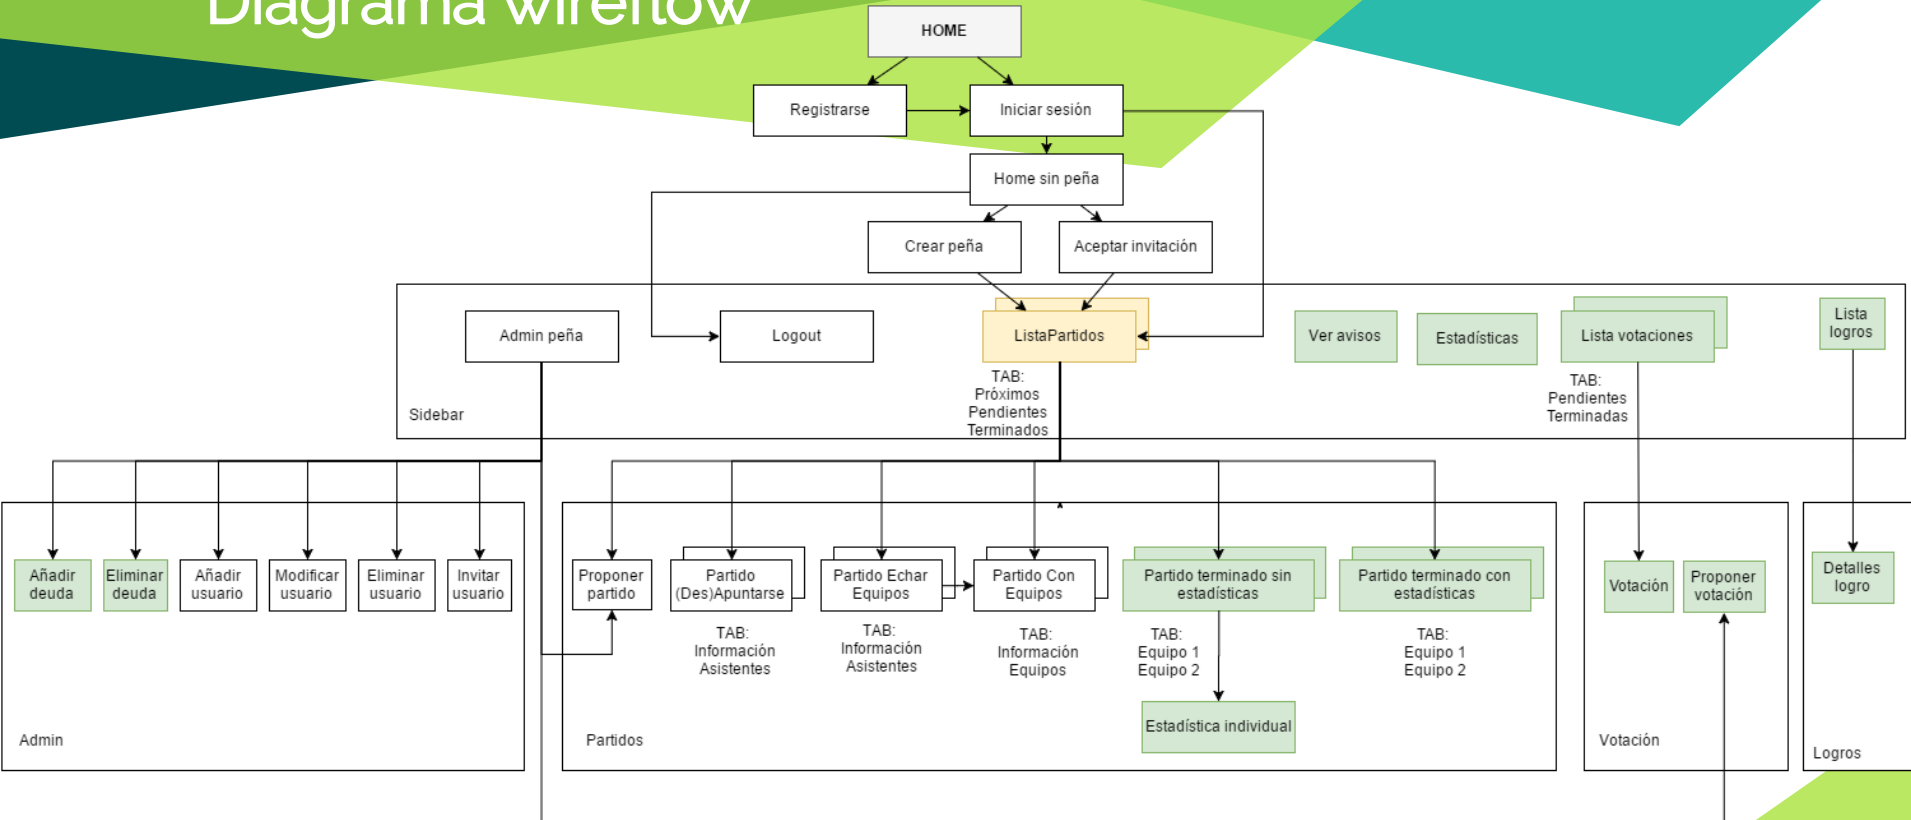

Diagrama entidad-relación

The background features a series of overlapping, angular shapes in various shades of green and teal. A large, dark teal shape forms a wide, shallow 'V' or mountain-like silhouette across the top. Below this, a lighter green shape extends to the right. The central portion of the image is dominated by a large, solid teal shape. At the bottom, another dark teal shape mirrors the top one, creating a sense of depth and framing. The overall effect is a modern, minimalist landscape or architectural composition.

Diagrama wireflow

Diagrama wireflow

The background is an abstract composition of overlapping geometric shapes. At the top, a dark teal triangle points downwards. Below it, a light green trapezoid points upwards. The central area is dominated by a large teal shape. At the bottom, another dark teal triangle points upwards, overlapping with a light green trapezoid that points downwards. The word "Bocetos" is centered in the teal area.

Bocetos

The background is an abstract composition of overlapping geometric shapes. It features a central teal-colored area where the text is located. This central area is framed by darker teal shapes at the top and bottom, and lighter green shapes on the sides and corners, creating a layered, mountain-like effect.
